Giving

We count entirely on donations from individuals, local school and other community organizations, religious institutions and businesses.

Because we are entirely volunteers, everything collected goes directly toward feeding families.

To make this program work we must raise \$35,000 annually. Donations of any amount are welcome and are 100% tax deductible.

If you'd like to be a part of the grassroots effort to help our neighbors throughout Stark County, please donate through our website or send a check to:

Volunteering

As a volunteer run organization, we rely on our community partners and friends to help man our sign up days and our pick up day.

Each of our Sign Up Days require volunteers who can bring a laptop to register families.

Our Pick-Up Day needs computer volunteers with laptops to check families in, as well as volunteers to help direct traffic and hand out turkeys.

We also need help the week of Thanksgiving at the StarkFresh Campus to help with the extra volume of shoppers as they use their gift certificates to pick up additional items for their dinner.

To volunteer, please visit our website to be directed to our volunteer sign-up portal.
